

Solway Community Technology College

Dear Parent/Carer,

We are carrying out a survey of learning in the school and we would like you to help your child complete it. The subjects your child studies are listed below. What we would like your child to do with your help is list them from where they learn most to the least. This is a confidential survey but we would like to know which year your child is in so we can see whether there are differences.

Discuss with your child; Is the top subject is their favourite and record the reasons at the bottom of the form?

(1.= Learn most, 2, 3, 4, etc in order down to the learn least)

I am in Year:

| Subject | Ranking | | Ranking |
|----------------------|---------|--------------------------------|---------|
| English | | Performing Arts | |
| Mathematics | | PE | |
| Biology | | Hospitality & Catering | |
| Chemistry | | Resistant Materials Technology | |
| Physics | | Engineering | |
| BACS | | French | |
| History | | Health & Social Care | |
| PE Studies | | College course | |
| RE | | Art | |
| Spanish | | | |
| I learn the most in: | | | |
| This is because: | | | |

Thank you for completing the form. Your child should return it to her/his class teacher by October 9th in the envelope provided. We will collect all the answers and publish the result of the questionnaire in the school newsletter.
