

Motivation

Motivations are reported across all year groups according to a nine point scale:

- 9 **Motivation is excellent.** Is always co-operative, enthusiastic and hardworking. Always does his/her best in his/her schoolwork. Is self-disciplined.
- 8 Motivation is between good and excellent.
- 7 **Motivation is good.** Is usually co-operative, enthusiastic and hardworking. Does his/her best in schoolwork without undue pressure and attention from the teacher.
- 6 Motivation is between satisfactory and good.
- 5 **Motivation is satisfactory.** Is usually co-operative, and generally does what is required by the teacher.
- 4 Motivation is between poor and satisfactory and needs direction in order to work effectively and stay on task.
- 3 **Motivation is poor.** Needs constant pressure and attention from the teacher to ensure he/she does some work.
- 2 **Motivation is between very poor and poor.** Is not well motivated even with considerable support and guidance. Student can be disruptive
- 1 **Motivation is very poor.** Is uncooperative and indifferent for most of the time in class. Makes very little effort in his/her schoolwork. Lacks self-discipline. May often disrupt the class preventing the learning of others.
