Outlined below is the required list of school uniform you should be familiar with.

- Acrylic nails are not permitted at all, expect for the week of the Prom in the summer; students will be asked to remove acrylic nails if they have them on; and nail varnish is not permitted in the Food Technology classroom
- Makeup must be discrete; students who are wearing too much makeup for school will be asked to remove it
- Jewellery **MUST** be removed for PE lessons and other practical lessons. Piercings cannot be taped over - they must be removed.

We feel it is very important that the students take pride in their school and their uniform and we ask that you support us in helping our students to look as well presented as possible. We will next year challenge anything that is not appropriate school uniform as listed above, and we will be expecting students who choose to wear shirts and ties to have shirts tucked in and ties done up correctly.

Please do contact me at school should you have any queries or concerns about uniform. I look forward to seeing all our students turned out beautifully on the first day back.

Yours sincerely

T Hailwood
