Dear parent/carers,

**Easter Revision 1<sup>st</sup> – 12<sup>th</sup> April 2019**

We are writing to inform you that we are running a full programme of revision sessions during the Easter holidays for all Year 11 students. These will focus on exam technique and preparation.

All of the students in Year 11 will benefit from attending these sessions and some subject teachers may have already phoned home in order to target particular students.

We have included a copy of the revision timetable for the Easter holidays and we would appreciate it if you could encourage your son/daughter to attend the relevant sessions. We will expect students to stay for the duration of the session. They may bring food/drink with them as the canteen will be closed.

Students have all had sessions in school on how to revise and we have provided them with revision planning booklets and revision guides. Further materials can be provided by subject teachers if required. Normal revision sessions will continue to run after the Easter holidays.

Examinations can be a very stressful time for all concerned and it can be difficult to know how to support your child. There is a balance to be struck between being supportive and getting involved in the process, whilst still allowing your son/daughter to be independent and to develop a sense of responsibility for their actions.

GCSE examinations start on Tuesday 14<sup>th</sup> May and we will continue to teach Year 11 students throughout the examination period. We will expect students to attend timetabled lessons until Friday 14<sup>th</sup> June when the last exam takes place. There will be a Leavers' Assembly after the final exam.

We hope that your son/daughter uses the time over the next short few weeks wisely. We hope that they attend the revision sessions, use the revision guides, use the online materials available and ask for additional advice. Above all, aim high – all students in Year 11 are capable of achieving very good grades in the summer and we want to be congratulating them on their success on Results Day in August.

Remember what we said to you in our last letter: We like you. We care about you. We believe in you. We want you to do well.

Our very best wishes,

Mr Harris and Mrs Woodman

Heads of Year 11
