Where to purchase it

Our uniform is available from a local supplier – Gift and Stitch in Aspatria. Orders can be placed via their website or in person. Parents are welcome to purchase any items of school clothing from regional or national suppliers, can obtain sew-on badges from our supplier, or our supplier is happy to sew logos onto uniform for a small charge. We also run second-hand uniform donation points in both of our schools and local areas. Parents can obtain good quality, second-hand, clean uniform from the school.

Details are available via our social media pages and website. If parents are experiencing particular difficulties, please contact us and we will do our best to help with obtaining suitable uniform, school shoes and other items to ensure students can attend school properly equipped for learning.
